INSPECTION UPON REQUEST – Plan Review

Inspection upon Request* for Plan Review inspections can be requested by the owner/operator of a permitted facility or an un-permitted facility. If a permitted facility is to be inspected the owner of the facility must agree to and fill out the rest of this form. After the fee has been processed, the assigned inspector will contact the owner within 5 business days to arrange for inspection. If requesting for more than one permit a separate application must be filled out with the fee. Inspection upon Request is not for facilities that have already submitted plans.
